Dear Jenonne:

This is a very belated thank you for your phone call on the occasion of my new appointment. Before writing to you I had wanted to await the completion of the confirmation and swearing-in process.

I think the future will be a good and constructive one. Problems will certainly be there, but I do believe that the opportunities will outnumber them.

Let's keep in touch. I would value your views and counsel as we move into the future.

All the best.

Faithfully yours,
